## What We Do

For Volunteering

### Who We Are

The Uckfield Volunteer Centre started back in the early 1990's and through the dedication of it's volunteers has developed into the profession enterprise it is now.

### Brokerage

Matching both individual and groups interested in volunteering with appropriate opportunities within our local community. We hold information on a comprehensive range of opportunities.

### Voice Of Volunteering

We develop individual events and activities which increase and improve the quantity, quality and diversity of volunteering locally.

Through our outreach programmes we increase awareness of the issues impacting on volunteering.

## What We Do

For Outreach

### Outreach

We engage with the community from all backgrounds and ages to consider volunteering. We encourage those who may not have considered volunteering before through taster-days, exhibitions, talks and social media.

### Education

We provide 3 forums every year for our community leaders and volunteers, each offering a keynote speaker on a specialist subject.

### Membership

To help promote our local organisations, we offer a range of membership schemes and Business Partnerships.
