About Us

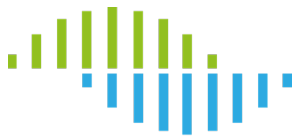

Join us in making a meaningful impact! East Sussex Hearing, an independent countywide charity based in Eastbourne, has dedicated over two decades to serving the deaf and hard of hearing community across East Sussex. Our mission is to empower individuals with advice and practical support, enabling them to lead vibrant, active lives and be integral members of their community.

The heart of our efforts lies in the events we organise, acting as lifelines to generate crucial income. This income supports and enhances the services we provide for the benefit of the hard of hearing and deaf community. Now, we are on the lookout for a passionate Event Volunteer to join our cause on a voluntary basis.

What you'll be doing

As an Event Volunteer, your role is diverse and impactful. From setting up our Gazebo and displaying banners to selling merchandise and collecting donations at events, your contribution makes a significant difference. Picture yourself engaging with the locals in Eastbourne town centre, sharing information about our upcoming events, or manning stalls at community gatherings like the Festival of Transport, an annual weekend event near Hailsham. You could be handing out flyers, offering advice, or simply fostering conversations about our invaluable services.

Our events are scattered throughout the year across East Sussex, with exciting plans for more in 2024! Whether you can commit to helping with one or two events annually or wish to make a more regular commitment. If you are seeking
